College

WHY I HAVE CHOSEN TO BE A GOVERNOR OF THE EAST STAFFORDSHIRE & TAMWORTH PRUs FEDERATION:

I am passionate about the impact education has on young people's life chances. Very often our education system may not 'fit' young people due to complex factors impacting their lives at a specific time and I believe that an adapted, versatile and high quality alternative offer can help re-engage these young people and help them get back on track. I wanted to join the federation so I could play my small part in helping our leadership and staff achieve these positive and rewarding results.
