## WHY I HAVE CHOSEN TO BE A GOVERNOR OF THE FEDERATION:

As an experienced Headteacher, I strongly believe that all children should have the opportunity to access quality education so that they can achieve their dreams. There are children that need that extra attention, support and guidance to enable them to achieve their ambitions by having a different approach (from mainstream) to enable them to access education. I want to know that all our children in the two districts can have access to this different approach and succeed.
